Spire Elland 1000km Fundraising Challenge

Last month Spire Elland participated in Spire Healthcare's first **national fundraising week.** Throughout the week, staff wore pedometers in a sponsored 1,000km walk. The hospital also held events such as a raffle, cycle days, staff meals, cake sales and donate your dinner money day to help raise additional funds.

It was a great week and staff are thrilled with the results, beating the initial fundraising expectations of £1,000.

New patient menu

Spire Elland head chef **Barry Kelly** has been heavily responsible in leading the Spire Healthcare **new** in-patient menu.

Barry, along with a number of chef's throughout the Spire Healthcare network, have devised a new menu designed to suit a variety of patients needs. The menu caters to each meal throughout the day with optional lighter meals.

The new patient menu is scheduled to be rolled out within the coming weeks.
