Electric charging point

As part of an effort to reduce our carbon footprint, Spire Elland Hospital has purchased an electric car with a charging port. The new type two 7.2kw charger has two ports available that can be used by patients and visitors to the hospital. It can be found in the rear car park of the hospital.

Marie Curie visit

On 11 February 2020, a local Marie Curie representative spent the day at Spire Elland Hospital.

Amy, our local representative had this to say "It was lovely to speak to your patients and hopefully get the word out about what we do.

I just wanted to let you know that we raised a good amount of money by selling daffodils too, which is brilliant to say that wasn't the real purpose for coming along!"

Does cranberry juice cure a UTI?

In this article Spire Elland Gynaecologist, Miss Yi Ling Chan ponders some of the most sought out questions on the internet.
