# How to refer your patients

At Spire South Bank Hospital we are committed to delivering excellent individual care and customer service to all our patients, from the time they first get in touch with us until after their treatment is complete. Our dedicated and highly trained people aim to consistently deliver excellent patient care, in a safe and secure environment. We work to ensure every patient is treated as if they were our own vulnerable relative.

## Self-funding patients

Self-funding patients are able to be seen by a consultant without a GP referral, although a letter is often preferred. We can provide a tailored fixed price inclusive care package\* with no hidden extras on a range of diagnostic tests, treatments and surgical procedures. For more information, please call our Self-pay team on **01905 362 252**.

- 1 Use Spire Connect to upload the referral letter.
- 2 Our team will contact your patient to discuss consultants, dates, times and pricing.
- 3 We'll update you on your patients' progress.

## Patients with private medical insurance

A referral letter is generally required from you before any insured patient can be seen by a consultant. Patients can call our bookings team on **01905 362 220** to arrange a convenient appointment.

- 1 Use Spire Connect to refer your patient. All patients using private insurance will need a referral letter.
- 2 Our team will contact your patient to discuss consultants, times and dates.
- 3 Your patient needs to contact their insurer to make sure they are covered for their appointment to see their chosen consultant.
- 4 We'll update you on your patients' progress.

## NHS referrals

Spire South Bank Hospital provides a range of elective surgical services on behalf of the NHS, including orthopaedics and general surgery. Full details of the services provided can be found on, and referrals must be made via, the NHS eReferral system (<https://www.ebs.ncrs.nhs.uk/>).

## Referral letters

Referral letters can be:

- Submitted online at <https://spireconnect.spirehealthcare.com/>
- Emailed with encryption to [outpatients-sb@spirehealthcare.com](mailto:outpatients-sb@spirehealthcare.com)

# For self-funding patients

For help in arranging self-funded consultations and treatment, including guide prices for investigations and surgery, please ask patients to contact our self-pay team on:

Phone: **01905 362 252**

Email:

**[southbankhospsselfpayenquiries@spirehealthcare.com](mailto:southbankhospsselfpayenquiries@spirehealthcare.com)**

Our fixed price packages\* offer the following benefits:

- No waiting lists
- Fast access to leading consultants
- Treatment dates to suit the patient
- Personalised support and care

Typical treatments that can be self-funded:

- Back pain treatment
- Cataract surgery
- Cosmetic surgery
- CT, MRI and ultrasound scans
- Endoscopy procedures
- Hernia repair
- Knee, hip, or shoulder surgery
- Varicose vein treatment
- Weight loss surgery

\*Please see a copy of Spire Healthcare's patient terms and conditions for full details. Prices vary per treatment and are dependent on each patient's individual circumstances and needs.

# GP education

We provide regular GP conferences and evening seminars, which take the form of lectures, Q&As, demonstrations and clinical case presentations by our specialist consultants.

Our events are **free of charge** and are usually evening, lunch or half day sessions to provide flexibility to you.

How to find out about our events

Search '**Spire South Bank GP Education**'

Contact our Primary Healthcare Relationship Managers on **wmprimarycaresupport@spirehealthcare.com**

Alternatively, you can visit our health care professionals page where you can book directly on to any of our forthcoming education events **[www.spirehealthcare.com/spire-south-bank-hospital/healthcare-professionals](http://www.spirehealthcare.com/spire-south-bank-hospital/healthcare-professionals)**

# GP support

Spire South Bank's onsite teams offer prompt and friendly assistance for GPs and primary care professionals to help you in looking after your patients.

## Primary Healthcare Relationship Managers

Our Primary Healthcare Relationship Managers are responsible for liaising with GP practices and other primary care professionals. Their role is to familiarise you with our services and consultants and to make it as easy as possible for your patients to be seen and treated at Spire South Bank Hospital.

The team can be contacted on:

Your local Primary Care Relationship Managers are Louise Downie and Sharon Llewellyn.

Email: [wmprimarycaresupport@spirehealthcare.com](mailto:wmprimarycaresupport@spirehealthcare.com)

## Self-pay Team

Our self-pay team are here to help with arranging self-pay consultations and treatment, including guide prices for investigations and surgery.

### One-off private treatment at a fixed price\*

- Available for in-patient and day-case procedures, subject to patient pre-assessment
- Normally includes all consultant and hospital fees, out-patient physiotherapy and one follow up appointment
- Treatment of complications\*

Patients can contact the team on:

Phone: **01905 362 252**

Email: [cservice-sb@spirehealthcare.com](mailto:cservice-sb@spirehealthcare.com)

\*Spire Healthcare patient terms and conditions apply.

# Clinics and services

## Bone and Joint Clinic

The Bone & Joint Clinic demonstrates its superior service through specific standards which have been set in three key areas: Clinical Quality, Education and Research. By meeting these standards, we ensure we are able to offer the very best treatment and care to our patients.

### Areas treated and services offered at the Bone & Joint Clinic:

- Ankle
- Elbow
- Foot
- Hand
- Hip
- Knee
- Physiotherapy
- Robotic joint replacements (hip and knee)

- Neurological imaging

### Fluoroscopy imaging services include:

- Barium studies
- Cystography
- Facet block painkilling procedures
- Sialography

#### MRI imaging services include:

- Arthrography
- Mammography (digital)
- MR cholangiography
- MRI
- Multiparametric prostate MRI
- Musculoskeletal ultrasound
- Neurological imaging

#### Ultrasound imaging services include:

- Extracorporeal Shockwave Therapy
- Imaging guided biopsy
- Imaging guided drainage
- Ultrasound (general)
- Ultrasound guided biopsy
- Ultrasound (gynaecological)
- Ultrasound prostate biopsies
- Ultrasound with doppler facility for vascular work
- Urinary flow rates
- Vascular studies
- Venography

#### X-ray imaging services include:

- General radiography
- Head and neck imaging
- Hysterosalpingography
- Orthopantomography

---

Phone: **01905 362 223**

## Oncology and Haematology Suite

The Woodland Suite, Spire South Bank Hospital's Oncology and Haematology service, provides access to cancer Doctors and a specialist team to offer high quality care to people diagnosed with cancer. This enables fast access to the cancer treatment required in a caring and comfortable environment; from the moment of diagnosis, throughout treatment and aftercare.

#### Our specialist service provides:

- 24 hour contact numbers for advice and support once patients leave hospital
- A team of Oncology and Haematology Consultants and nurses
- Calm, quiet environment with comfortable treatment pods
- Immediate referrals
- On-site pharmacy
- On-site tests and scans available including MRI, CT, X-ray and ultrasound
- Private hospital setting with dedicated Oncology parking spaces
- Scalp cooling system

---

Appointments: **01905 362 215**

# Clinics and services

## Physiotherapy

Our highly trained chartered physiotherapists are here to help with both inpatient and outpatient services.

We assess and treat a number of conditions including:

- Arthritis and rheumatism
- Back pain
- Continence problems
- Joint and muscular pain
- Muscle, ligament and tendon injuries and repairs
- Pelvic floor conditions
- Respiratory conditions
- Sports injuries
- Whiplash
- Work related injuries

---

Appointments: **01905 362 212**

## Private GP service

At Spire GP we provide quick and easy access to private GP services. There are a range of Spire doctors' appointment times available now for both adults and children at Spire Little Aston Hospital.

Appointments can be booked online or via telephone.

---

Phone: **01905 362 252**

## Endoscopy

Designed and run by a team of specialist surgeons and gastroenterologists, The JAG accredited Spire Endoscopy Suite at South Bank Hospital offers excellence in the management of a wide range of bowel conditions. Set in a unique, state-of-the-art facility, the clinic aids the rapid diagnosis and treatment of patients.

Endoscopy services include treatment for:

- Colorectal (bowel) cancer
- Haemorrhoids
- Inflammatory bowel disease

---

Appointments: **01905 362 053**

## Spire Eye Centre

Spire Eye Centre provides your patients with their choice of Consultant ophthalmic surgeon who will be with them from their very first appointment right through until their care is complete.

All of our Consultants are registered specialists with the General Medical Council and have met stringent appointment and accreditation criteria to practise at the Eye Centre. They are passionate about what they do and are recognised experts in their chosen specialist field, regularly performing complex eye procedures.

We offer state-of-the-art diagnostics, laser, medical and surgical treatments for many conditions including:

- Age related macular degeneration (AMD)
- Cataract surgery
- Clear Lens Exchange
